Subject: End-of-Life (EOL) Product Notice for all Dome radiology display products

Dear Valued Customer,

As NDS aligns its business strategy for future growth in the medical industry, we have made a decision to cease production of Dome radiology displays. Therefore, we are announcing the End-of-Life of all Dome radiology display products, with an opportunity for a last-time-buy expiring on March 31, 2016, while supplies last.

NDS remains committed to supporting our radiology customers throughout the warranty period. Please contact Customer Care for further details, or direct enquiries to medicalsupport@ndssi.com.

This end-of-life notice applies to the following products in all global regions:

EOL PRODUCT
Dome GX24
Dome E3
Dome E5
Dome S2c
Dome S3
Dome S3cL
Dome S10
Dome GX4
